- ★ Use [CaliforniaColleges.edu](http://CaliforniaColleges.edu) as your online resource
- ★ Learn how to build your resume
- ★ Discover interviewing tips and tricks
- ★ Find scholarships and other free money for college and career technical education

### REGISTER TODAY!

Come to one meeting or to every meeting! To register for Pathways to Success, email [balvarez@egusd.net](mailto:balvarez@egusd.net)

Include the name of each person who will attend, along with which meetings you'll attend.

We hope to see you there!

**Big Accomplishments. Bigger Dreams.**

**EVERYONE WELCOME!**

While it's never too late to start your Pathways journey, beginning early makes the transition from high school much less stressful. You'll have a post-high-school plan and the knowledge to transform your dream into reality.

## THE PATHWAYS TOOLKIT

Each student receives a binder that is key to creating and organizing the materials necessary to apply for jobs, apprenticeships, college, scholarships, and financial aid. Building the binder paves the way for future success.

## About Pathways

Pathways is a free program that helps students and families assemble the tools needed to excel after high school graduation.

All too often, high school students give up on their dreams. Whether a student's journey is to a four-year university, the military, career education, a community college, or the workforce, Pathways helps students pursue their passions.
