MARCH 19: MOCK INTERVIEWS AT LCHS

MARCH 27: FOUR-YEAR COLLEGES

- ★ Where to apply - finding "right fit" colleges
- ★ Scheduling, preparing for, and taking the SAT and ACT
- ★ Navigating college applications
- ★ Learning about financial aid applications
- ★ Finding scholarships and other "free-ish" money

EVERYONE WELCOME!

While it's never too late to start your Pathways journey, beginning early makes the transition from high school much less stressful. You'll have a post-high-school plan and the knowledge to transform your dream into reality.

THE PATHWAYS TOOLKIT

Each student receives a binder that is key to creating and organizing the materials necessary to apply for jobs, apprenticeships, college, scholarships, and financial aid. Building the binder paves the way for future success.

About Pathways

Pathways is a free program that helps students and families assemble the tools needed to excel after high school graduation.

All too often, high school students give up on their dreams. Whether a student's journey is to a four-year university, the military, career education, a community college, or the workforce, Pathways helps students pursue their passions.
